US v HAFNER 19-790 (MAS) Sept. 2, 2

Dear Judge: Tim Anderson of Red Bank and I are embroiled in conflict. We cannot work together and our personal differences are by far much too great to ever overcome. I am being denied my Sixth Amendment right to have assistance of counsel. You set a motion schedule for the plea withdrawal motion, but due to extreme conflict between myself and Tim Anderson, there is no possibility of work happening. Please assign new CJA counsel forthwith and remove Tim Anderson. Thank you.
